

TOOL MAKER

You live in the village of Barterville.

Each person in the village produces more goods than they require and there are other items they need to obtain from other producers.

You are a tool maker.

This card represents the hammer and nails you have made. You have young children who need milk to drink. Exchange your goods so that you can get the milk your children need.

TAILOR

You live in the village of Barterville.

Each person in the village produces more goods than they require and there are other items they need to obtain from other producers.

You make clothes.

This card represents the clothes you have made and do not need.

Exchange these clothes so that you can get the flour you need for your cooking needs.

DAIRY FARMER

You live in the village of Barterville.

Each person in the village produces more goods than they require and there are other items they need to obtain from other producers.

You are a dairy farmer.

This card represents a can of milk you have left over. Your clothes are wearing out and you need some new ones before the snow falls. Exchange the milk to get new clothes.

FLOUR MILL OWNER

You live in the village of Barterville.

Each person in the village produces more goods than they require and there are other items they need to obtain from other producers.

You are the owner of a flour mill and you need to do some repairs to your building.

Exchange some of the flour you have made so that you can get a hammer and nails to help with your repair work.
