

Activity Guide - AI Ethics Research Reflection

Instructions

As you research your AI ethics area, answer the following questions. Be prepared to share what you have learned with your classmates!

Research Area: _____

1. Describe a technology that uses AI in your area of research. How does it work? Who uses it?
2. How can this technology benefit society?
3. Think of a specific ethical issue related to this technology. Why is this issue important? Whom does it impact? How?
4. How can this issue be addressed while maintaining the social benefits of the technology?
5. What other questions or ideas do you have pertaining to ethical issues in your research area?
