CHAPERONE INFORMATION

Welcome to your Camp-In adventure!

At Camp-In your children will have time to explore the museum, have fun with science and socialize with their friends. The Franklin Institute is a hands-on museum. We feel your visit should be an adventure in discovery, not a guided tour or classroom lecture. You and your campers can decide which activities to participate in and which exhibits to explore. The museum is a pretty big place and an enjoyable visit takes a bit of planning. Take a look at the map prior to your visit. Remember, you may stay until noon the following day to continue exploring. For turn by turn directions, download The Franklin Institute app at fi.edu/mobile.

Chaperone Responsibilities

Campers must be chaperoned at all times by an adult, one adult for every five children. After Registration, your entire group does not need to stay together during the evening, so long as all campers remain with a chaperone. There will be several hundred other campers in attendance. Please be aware that parts of the museum will be open to the public during the evening.

Tagalongs or siblings under the age of 6 are not permitted at Camp-In.

The Franklin Institute and its grounds are smoke free. **No alcohol or non-prescription drugs are permitted.** If any camper or chaperone is found to be under the influence of drugs or alcohol, he/she will be required to leave the museum immediately.

Campsite

You will be assigned a campsite in one of our exhibits. You will, most likely, share a campsite with other groups. Camp-In staff will review safety and emergency procedures at bed down. Please cooperate with staff to make sure your campsite is set-up safely. At your campsite be prepared for hard floors, emergency lighting, and relative quiet. However, your campsite will be thunderstorm and mosquito free!

Electrical outlets for medical purposes are available for overnight use in all exhibits. Please ask Camp-In staff to point out their locations at bed down.

Information Desk and First Aid

The Camp-In Information Desk and first aid station are located on the first floor. Chaperones should be responsible for their campers prescription medications.

Emergencies

Emergency calls may be taken by the Security Desk at 215.448.1311. Ask for the Camp-In Manager and be sure that the caller knows the camper's name, group leader's name and group name. Trained security and first aid staff are on duty 24 hours a day. The Franklin Institute follows emergency and fire procedures approved by the Philadelphia Fire Marshal. The Franklin Institute is not responsible for lost or missing items. Please leave all valuables at home.

BEFORE YOU ARRIVE

What to wear:

- Your most comfortable clothes, socks and shoes

- If medical needs require the use of an air mattress, please contact campin@fi.edu prior to your night.
- Pajamas (campers should sleep in their regular clothing)
- Laptops and tablets
- Valuables—The Franklin Institute is not responsible for lost or missing items. Please leave valuables at home.

ARRIVAL/ DEPARTURE

Arrival time

Plan on arriving before 7:00 pm. Registration begins at 6:15 pm and closes at 7:15 pm. Campers are not permitted in the museum before 6:00 pm. Have your entire group arrive as close to the same time as possible. **Please note that Camp-In staff are not available before 6:00 pm.** Arriving late means that you will miss portions of the schedule that are only offered at the start of the Camp-In, such as orientation. **ON FRIDAY NIGHTS, PLAN AN EXTRA 30-60 MINUTES FOR CITY TRAFFIC FROM ALL DIRECTIONS.**

Arriving Late/Leaving Early

If you choose to miss portions of the program, you may arrive late or leave early. The parking garage entrance and 20th Street entrance are staffed by security at all times. You can exit the parking garage at any time. You can also enter and exit through the 20th street Business Entrance at any time with your wristband. Cell phones are the best way to locate your group once inside the museum.

Parking at the Museum Garage

Car pooling is recommended. Camp-In participants pay a flat \$15 rate when arriving after 5:00 pm and exiting before noon the next day. Overhead clearance is 6 feet 1 inches. Please don't get stuck in the doorway! If you need further garage assistance, please call the Parking Manager at 215.448.1391. Bring the garage ticket to the Security Desk in the Atrium on the 2nd floor to receive the discounted Camp-In validation. Additional parking garages can be found on our website. We regret our discount rate is not available at other garages.

Arriving by Car

If you arrive by car and park in the garage, take all your gear to the elevator and go up to the Franklin Institute level. Camp-In staff will greet you at this entrance and direct you to the registration area. If you park at one of the additional parking locations, campers and gear can be dropped off at the 20th St. Business Entrance first.

Arriving by Bus

Your bus may load and unload on 20th Street, and **use the Business Entrance to the right of the main steps. Please do not use the main steps.** By letting us know ahead of time that you are coming by bus, Camp-In members can greet you at this entrance and direct you to the registration area. Bus parking is prohibited on all Philadelphia city streets. Information on overnight bus parking at the Callowhill Bus Center can be found by calling 215.925.3706.

Arriving by Public Transportation

The train station closest to the Franklin Institute is Suburban Station. Contact SEPTA at 215.580.7800 or www.septa.org for all train, rail, or bus information. Walk to the museum and **use the entrance to the right of the main steps. Please do not use the main steps.** Please let us know that you are taking public transportation into the city so Camp-In staff members can greet you at this entrance and direct you to the registration area.

Departure

Camp-In officially ends at 9:30 am the following morning. You must remove all personal belongings and hired transportation by 9:30 am. Once gear is stored safely outside the museum, campers may return to explore the museum until noon at no extra charge. **Wristbands must remain on in order to re-enter the museum.**

GROUP LEADER INFORMATION

Please distribute this Survival Guide to ALL chaperones. Make copies, email the pdf, or direct chaperones to download it from our website, www.fi.edu/Camp-In.

- Please try to arrive by 6:30 pm. Only the group leader can register a group, so if the rest of your group is early they will have to wait for you to begin their Camp-In.
- If you are going to be later than 6:30 pm, feel free to designate another chaperone as temporary group leader.
- You or your designated group leader can either bring a completed Attendance form (p. 13) or fill one out at registration. At Registration you will receive a packet with your group's personalized schedules, sleeping campsites, wristbands, patches, maps, and other information.
- Try to have a cell phone number for all the chaperones in your group or at least make sure they all have yours.
- Please review the Terms and Conditions page of this guide (p. 11).
- If you have any questions before your Camp-In, don't hesitate to ask. Please email campin@fi.edu or call 215.448.1108. Just be aware that we begin setting up for Camp-In on Friday and Saturday mornings and are not readily available by phone on those days.

TERMS AND CONDITIONS

1. Responsibility

The youth agency, parent or guardian, or designated leader agrees to assume all responsibility for any injury to persons attending Camp-In or loss of their property and agrees to assume responsibility for damage to The Franklin Institute and its contents caused by anyone of this group attending Camp-In, to the extent that such occurrence is not caused by the negligence, recklessness, or willful conduct by the museum and its contents.

2. Exhibits

It is understood that, due to the ever changing world of science and technology, our exhibits may vary in appearance when your Camp-In takes place. Although maintenance is ongoing, specific exhibits might be non-functioning or replaced at the time of your event. We regret any inconvenience.

3. Conduct

All guests shall follow all reasonable requests of The Franklin Institute's staff, as well as all applicable laws, ordinances, and regulations. At least one adult chaperone for every five children is required. Adult chaperones are responsible for the behavior of the group and **must accompany children at all times**. The adults must read and follow all emergency and regulatory signs. In the event that The Franklin Institute determines at any time that a violation has occurred or is likely to occur in your use of our premises and our equipment, we reserve the right to cancel your Camp-In at any time, including while it is in progress. Any such determination shall be at the Franklin Institute's sole discretion. No alcohol, no non-prescription drugs, and no smoking inside the building. Any chaperone found to be under the influence of drugs or alcohol will be required to leave the building immediately.

4. Cancellations (full or partial)

All payments received by The Franklin Institute are non-refundable. Cancellations should be communicated to Franklin Institute staff as far in advance as possible. Any decrease in numbers must be communicated at least **three** weeks prior to your Camp-In. Failure to do so automatically results in financial obligation for the original reserved number. If cancellations are made MORE than three weeks in advance, you are not responsible for the remaining balance on those cancellations (Groups Only). In the event of partial cancellation (i.e. reduction of numbers), the portion of the deposit that held those spaces cannot be applied to the balance due for the remainder of the participants. Groups who cancel LESS than three weeks prior to their scheduled Camp-In will receive Camp-In Patches rather than a refund.

5. Emergency Weather Policy

If weather conditions become threatening, leaders are encouraged to check in with Camp-In Management at 215.448.1108 periodically the day prior to the event. If the Camp-In is cancelled by The Franklin Institute, all efforts will be made to contact registered group leaders by phone. Camp-In will then attempt to reschedule participants, at their convenience, within the remainder of the season.

6. Non-Performance

A Camp-In can be cancelled if it does not meet the minimum attendance threshold. If, for any reason, a Camp-In is cancelled by The Franklin Institute, every effort will be made to find a mutually compatible replacement date. The Franklin Institute shall not be liable for non-performance of this contract when such non-performance is attributed to labor troubles, disputes, strikes, accidents, riots, national emergencies, Acts of nature, and other causes whether enumerated herein or not, which are beyond the reasonable control of The Franklin Institute.
