

ASTC Travel Passport Program Participants November 1, 2021 – April 30, 2022

The ASTC Travel Passport Program is a reciprocal admission program that offers a travel benefit to the members of Passport Program participating science centers or museums.

Given local responses to the COVID-19 pandemic, many Passport-participating institutions are altering their operations or are fully closed to the public. Before you make plans for to visit one, please check the institution's website to confirm it is open.

As a member of an institution that participates in the ASTC Travel Passport Program, you are eligible for benefits such as free GENERAL ADMISSION when you travel outside of your local area to the other participating institutions listed here.

These benefits DO NOT include free or discounted admission to special exhibits, planetarium, and larger-screen theater presentations, nor do they include museum store discounts and other benefits associated with museum membership unless stated otherwise.

EXCLUSIONS

1. Science centers and museums located within 90 miles* of the science center/museum where the visitor is a member.
2. Science centers and museums located within 90 miles* of the visitor's residence.

**This distance is measured "as the crow flies," meaning that it is based on the linear radius, not driving distance. To help determine linear radius distance, use the "Measure Distance" feature on Google Maps.*

BEFORE YOU TRAVEL CHECKLIST

- ✓ **Review that science center/museum's family admittance policy below.**
 - Call before you visit to confirm your Passport Program benefits.
- ✓ **Pack your ID (or other proof of residence).**
 - Admissions staff reserve the right to request proof of residence for benefits to apply.

- ✓ **Pack your membership card.**
 - Passport Program venues are not required to grant benefits to visitors who forget their cards.
 - There is no universal database with all Passport visitors' member data for admission staff to reference.
 - Some venues will allow you to call the science center or museum you joined to confirm your membership, but they are under no obligation to do so.
