**THE
FRANKLIN
INSTITUTE**

Welcome to the Franklin Institute Speakeasy! Thank you for joining us as we explore the underground shenanigans of bootlegging, betting, and booze. The secret password is 'Science', but you already knew that.

TIMED LIVE PROGRAMS:

Drew Nugent and The Midnight Society

Performances at 7:30 and 9:00 pm in the Fels Planetarium on the 1st floor

Ladies and gentlemen, for your listening and dancing pleasure, Philadelphia's premier hot jazz band will be giving you the sounds of the 1920s under the stars.

Booze, Bettin' and Broads

Live shows at 7:20, 8:20 and 9:20 pm in Musser Demonstration Theater on the 3rd floor

Through a series of demonstrations and experiments, join our charismatic hosts as they explain the process of fermentation and distillation to convince how their brand of moonshine is far superior and more potent than any other brand.

This free show has limited capacity. Tickets for all three performances of this show will be available at the front doors of the Musser Demonstration Theater starting at 7:00 pm. Tickets will be distributed on a first come, first served basis. Visitors with tickets will be seated starting 10 minutes before show time. Unclaimed seats will be given to visitors without tickets 5 minutes before show time.

Dance Lessons

Lessons at 7:15 and 8:15 pm in the Fels Planetarium on the 1st floor

The Old City Sweethearts, Philadelphia's premiere vintage chorus girl troupe, are excited to bring their skills as professional flappers and get a wiggle on at the swellest speakeasy of the year! Join them for some charleston basics to get those feet moving throughout the evening as well as learn the moves to The Speakeasy Shuffle.

Quizzo

Rounds begin at 7:10, 8:10 and 9:10 pm in Franklin Foodworks on the 2nd floor

Toss back those derby hats and tilt those flapper caps for this edition of Science After Hours Quizzo! Winners of each round get a free pair of tickets to the next Science After Hours.

Let's Have a Ball....explosion

Demonstration at 8:45 pm in the Benjamin Franklin Memorial on the 2nd floor

Clutch your pearls as we blow the lid off this joint when we combine liquid nitrogen with some fun flying balls.

The Speakeasy Shuffle!

9:45 pm in the Benjamin Franklin Memorial on the 2nd floor

Close the evening as one huge #ScienceAfterHours family for the final hurrah with a Speakeasy Shuffle! Be sure to learn the steps at one of the two lessons led by the Old City Sweethearts in the Fels Planetarium at 7:15 and 8:15 pm.

A selection of wines, craft beers and snacks as well as the featured drinks of the night, Gin & Tonic, and Champagne, are available for purchase in our 2nd floor Atrium Café, and Franklin Food Works. A Beer and wine bar will also be located in Space Command and Lunchroom B, both on the 1st floor.
