SCIENCE PROGRAMS FOR GIRL SCOUTS

CAMP-IN

NOVEMBER - MAY | AGES 6-13

Explore the all-new Your Brain exhibit, take a gravity defying ride on the Blue Angels Flight Simulator, see a live science show, and explore all of the museum’s exhibits during your overnight adventure! Where else can you sleep next to a Giant Heart or a 350-ton locomotive? Check the website for special girls-only nights!

GIRL SCOUT DAYS

Hear from guest speakers, participate in a hands-on workshop, see a live science show or a film in the Tuttleman IMAX® or Planetarium, and more!
