

1. Cut out pattern at the squares edge. 2. Fold paper at lines in order indicated. 3. Cut out all grey areas. Use an X-acto knife for inner details.

JANE GOODALL

Jane Goodall (born 1934) is best known for her research on the social structures of chimpanzee troops, which she began in 1960 when she was just 26 years old. Jane Goodall was awarded the Benjamin Franklin Medal by The Franklin Institute in 2003.
